Présentation de l'éditeur

Back in 1998 Rohan Candappa wrote *The Little Book of Stress* in answer to our obsession with calm. Then in 1999 he wrote *The Little Book of Wrong Shui*, a riposte to the nation's obsession with moving their furniture around in order to become successful. Both were international bestsellers.

Now Rohan Candappa is taking a look at sex. *The Little Book of the Kama Sutra* is a hilarious parody of the art of love. Have you had enough of being told you not doing it right, often enough, or with enough imagination? Are you beginning to feel like someone knows something you don't, that the rest of your office, the rest of your town, in fact the rest of the world, is having better sex than you? If you're bored of *Maxim* magazine telling you new tricks, if you're bored of *Marie Claire* telling you how to have six of them in one night - then this book is for you.

Rohan Candappa - the people's p***-taker. Biographie de l'auteur

Rohan Candappa previously worked in advertising and is now a full time writer. He lives in North London with his wife and daughter.
